Subject: Big creek and the action of placement on your 303d list
Date: Saturday, August 11, 2018 7:38:36 PM

I'm requesting all the information about the placement of big creek in Newton County Arkansas and would like to see the testing results they have to reinforce this action I am a resident of the area and don't know of any reason for this action and would like your agency to show due cause for this action.

Thank you
Brian Pruitt
